#### Description

Dear tim developer mohon support nya untuk perbaikan pada perhitungan duration dimana pada saat mengisi startdate lalu enddate lalu absence type dipilih maka duration akan tampil, namun setelah itu jika enddate diganti maka duration nya tetap masih tidak menghitung.

The screenshot shows the MINOVAIS web application interface. The top navigation bar includes 'Home', 'Maintain Time Management', 'Generate Work Schedule Calendar', and 'Generate Personal WS'. The main content area is divided into several sections: 'Employee Search Mega', 'Employee Detail', 'Employee List', and 'Absence'. The 'Employee Detail' section shows information for Employee ID 00010940, Full Name ASNITA, and Employee Status Active. The 'Absence' section shows a form with fields for Start Date (02/03/2022), End Date (07/03/2022), Absence Type (Cuti Tahunan), and Description (ddasasd). The 'Duration' field is highlighted with a red box and is currently empty. The 'Last Change' field shows the date 20220323190639.
