The screenshot displays the Bank Mega Syariah HR System interface. The left sidebar contains a navigation menu with categories: My Workplace, Business Intelligence, Human Resource, and System Administration. Under Human Resource, there is a sub-menu for Performance Management, which includes Performance Appraisal, Appraisal Catalog, Performance Report (selected), Performance Report Individu, and Performance Report per Unit. The main content area is titled 'Report Parameter' and shows filters for Period From (01/06/2022), Period To (01/07/2022), Employee ID (00009864), and Appraisal Type (Final Appraisal). A 'View Report' button is visible. Below this, the 'Report Result' section shows a table with the following data:
