contoh kasus saat saya membuat root baru dengan desripsi Testing Saswanto maka terbentuknya malah menjadi sub root seperti gambar berikut

The screenshot shows the Minova ES Qualification Catalog interface. The left sidebar contains a navigation menu with categories like My Workplace, Master Data, Human Resource, Business Intelligence, and System Administration. The main content area is titled 'Qualification Catalog' and includes a search bar and a 'Structured Search' section. The search results are displayed in a table with columns: Object Tree, Object ID, Object Class, Object Abbr, Start Date, End Date, and View. The results show a hierarchy starting with 'BANK KALTENG' and including 'Core Competency', 'Testing Training Mega', and 'Testing Saswanto'.
