Description

Dear Mbak Yomma,

Mohon bantuannya untuk memperbaiki bug yang terjadi, yaitu :

1. Combo Box pada Field Instructor harusnya hanya menampilkan data yang sesuai dengan Resource yang ada di Training Eventnya.

Seperti di file yang saya cantumkan, harusnya Instructor hanya tampil nama "Hendro Gunarto", sedangkan saat ini yang tampil ada 3 nama.

The screenshot shows the Bank Kalteng Training Management system interface. On the left is a navigation menu with categories: Human Resource, Business Intelligence, and System Administration. The main content area displays a table of resources for a training event. The table has columns: Start Date, End Date, Object ID, Resource, Instructor Type, Classification, and Notes. A red box highlights the first row of data.

Start Date	End Date	Object ID	Resource	Instructor Type	Classification	Notes
