Description

Dear Mang wanto,

Tidak bisa di Edit & Save maupun create data baru...

The screenshot shows the 'Service Master Data' application interface. At the top, there is a navigation bar with tabs for 'My Workplace', 'Master Data', 'Financial Accounting', 'Human Resource', 'Logistics Service', 'Business Management', and 'System Administration'. Below the navigation bar, a breadcrumb trail reads 'HOME > SERVICE MASTER DATA'. A red error message box is displayed, stating: '000005 - Error Error Failed to convert parameter value from a String to a Int64. Query: INSERT INTO PMDSRV0003 (ServiceID,SeqID,Sequence,RoleType,UnitPrice,Discount,Quantity,CreateBy,CreateDate,ChangeBy,ChangeDate) VALUES (@ServiceID, @SeqID, @Sequence, @RoleType, @UnitPrice, @Discount, @Quantity, @CreateBy, @CreateDate, @ChangeBy, @ChangeDate)'. Below the error message, the 'Add New Service Detail' form is visible. The form has a blue header bar with the title 'Add New Service Detail'. It contains several input fields: 'Service ID' (00000017), 'Description' (Pembuatan Cor Fly Over), and 'External ID'. Below these fields, there are four tabs: 'Detail', 'Activity', 'Man Power Plan' (which is selected), 'Material', and 'Purchase Info'. The 'Man Power Plan' tab shows a form with fields for 'Service Man Power Plan ID' (1), 'Role Type' (Technical), 'Unit Price' (100000), 'Discount' (0), 'Quantity' (1), 'Create By', 'Create Date', 'Change By', and 'Change Date'. At the bottom right of the form, there are three buttons: 'Save', 'Delete', and 'Cancel'. The footer of the application displays the text '2022 © PT Minova Infotech Solutions. All Rights Reserved.'

- Assignee changed from Saswanto Tampan to fernando sergio rumbayan

cek sdatatablefield

semua yang bertipedata

bigint

decimal

number

di seting default value menjadi 0

#2 - 07/20/2022 02:13 PM - Fiona Avangeline Jonathan

- Status changed from Assigned to Closed

Kalau data type 1, default value diisi 1
kalau data type 2 dan 3, default value diisi 0
