Terima kasih Mas Azid, validasi invoice date sudah muncul.

The screenshot displays a web application interface for a medical claim system. A red box highlights an error message that states: "Error: Tanggal Invoice Anda Sudah Melewati Batas Maksimal Pengajuan Klaim" (Error: Invoice Date has exceeded the maximum claim submission limit). The background shows a form with various input fields, including dates, text boxes, and a dropdown menu. The sidebar on the left contains navigation links for different system modules.
