Target version:		Spent time:	2.00 hours

Description

Mang Wanto,

Berikut design baru untuk menu Master Data. Mohon dibantu untuk development nya. Di 1 screen yang sama user akan dapat melakukan search, view dan maintain master data.

1. Untuk side bar menu utama akan otomatis ter-collapse ketika menu master data terbuka.
2. Widget search dan result dapat di expand/collapse sesuai keinginan user dengan memberikan tombol di kanan atas.

The screenshot displays the 'Employee Master Data' interface. On the left, there is a search form with fields for Employee ID / External ID / Full Name, Employee Status, Employee Type, Employee Sub Type, and Payroll Grade. Below the search form is a table listing employees with columns for Employee ID, External ID, Full Name, and Company ID. The main area shows a detailed view for 'Employee Overview - 10000148 - ERICSSON'. This view includes a profile picture, basic information (Employee ID, Full Name, Employee Status, Employee Type), and company details (Company ID, Employee Office, Organization, Position). Below this is a tabbed interface with 'Personal Data' selected, showing a table of personal information including Start Date, End Date, Full Name, Nick Name, External ID, Gender, Birth Date, Birth Place, Religion, Marital Status, and Marital Status Since.

Mang Wanto,

Employee Master Data dengan UI baru, ketika di save data tidak muncul padahal save sukses. Ketika di refresh juga tetap tidak muncul. Ada 1 kendala lagi, jika di orang A sedang membuka tab Assignment kemudian pindah ke orang B, yang muncul data tab Personal Data namun tab yang nyata tetap yang Assignment.

Mohon dibantu, terima kasih.
