Description

Dear tim developer mohon support nya untuk perbaikan pada hr reminder dimana pada dashboard saat ini menampilkan semua data termasuk task status complete, padahal seharusnya task status complete tidak perlu muncul.

The screenshot shows the MINOVAES HR REMINDER dashboard. The table has columns: Pictu..., Employee, Organization, Position, Date of Ta..., Task Type, Task Status, and Notes. Two rows of data are shown, both with 'Completed' in the Task Status column. A red box highlights the 'Task Status' column. Below the table, a red text note reads: 'task status complete seharusnya tidak muncul pada hr reminder'.
