Description			
Dear Team Developer,			
Mohon bantuannya untuk dapat mengecek Fungsi Generate User karena tidak ke load untuk di buatkan user ID.			
Menu: System Administrator -> Generate User			
Port : http://remote.minovais.com:31118/			
Server : remote.minovais.com, 1438\MSSQLSERVER2012			
DB : MinovaES_BWS_Dev			
Terima kasih.

dear johanes , udah bisa di test ya

package :

update dll implementation terbaru
- MinovaES.Implementation.LppomHalal.dll

setting genparam
- parameter : GENERATEUSERESS

makasih
