Description

Dear Azid,

Mohon bantuannya untuk memperbaiki filter employee status yang belum berjalan.

The screenshot shows the 'Employee Master Data' page in the Minova ES application. The 'Employee Search' section has a dropdown menu for 'Employee Status' which is highlighted with a red box. Below the search section is a table of employee data. The 'Employee Status' column in the table is also highlighted with a red box, and a red arrow points from the dropdown menu to this column. The table contains 11 rows of employee data.
