Target version:		Spent time:	3.50 hours

Description

dear tim developer mohon support nya untuk membuat query untuk komparasi antara master data assignment di kolom organisasi dengan relasi yang aktif saat ini di organisasi dengan relasi yang aktif.

The screenshot shows the Minovais HR system interface. The 'Employee Detail' section displays information for Employee ID 08073089, including Full Name (MUSLIH KURNIAWAN), Position (Design Management Special), and Grade (Senior Manager 1). The 'Employee Assignment' section shows details for an assignment starting on 21/11/2022 and ending on 31/12/9999. The 'Organization' field is highlighted with a red box, and a red arrow points to it from a red text box that says 'gimana cara nya supaya bisa membaca organisasi di kolom master data assignment ini.'
