### Description

dear tim developer mohon support nya untuk perbaikan validasi dimana pada saat mengajukan quota cuti jika quota cuti nya habis maka tidak bisa melanjutkan pengajuan cuti tersebut, karena saat ini employee bisa mengajukan cuti dan bisa disubmit walau quota cuti habis.

The screenshot shows the 'Absence Request' form in the ROHTO HRIS system. The form is for a 'Cuti Tahunan' (Annual Leave) request. The start and end dates are both set to 21/11/2022. The total absence taken is 1 day. Below the form, there are sections for 'Current Quota' and 'Next Quota'. Both sections show an original quota of 12 days, with 0 days taken and 0 days remaining. The 'Next Quota' section shows a total remaining quota of -1, indicating that the employee has exceeded their quota.

The screenshot shows the 'Time Data' section for an employee. The employee overview shows Lucia Roos Meila (Employee ID: 00000058) with a permanent position as General Affair and Human Resource Manager. Below this, there is a table titled 'Absence Quota - 00000058 - Lucia Roos Meila'. The table lists various absence types and their corresponding quotas.
