#### Description

dear tim developer, mohon support nya untuk perbaikan filter pada menu HR-Training Data dimana data pada training event kadang tidak tampil dan kadang tampil.  
kemungkinan karena penseleksian filter nya.

The screenshot shows the ROHTO HRIS interface. On the left is the HRIS Menu with categories like My Workplace, Master Data, and Human Resource. The main area is titled 'Training' and contains a 'Search Object' section. A red box highlights the 'Date' filter set to '20/12/2022'. Below the search section is a 'Result' table with the following data:

Object Tree	Object ID	Object Class	Object Abbr	Start Date	End Date	View
ROHTO TRAINING NEW 2022	DG00000090	DG	ROHTO TRAINING ...	20220101	99991231	👁
