Description

Dear shofwan,

mohon bantuannya untuk ngecek pada report all employee di kolom No KTP itu datanya di ambil dari tabel apa karena tidak menampilkan No KTP yang sudah di masukan ke master data.

The screenshot shows the 'All Employee' report interface. The left sidebar contains the navigation menu with 'Employee Report' selected. The main area displays the 'Report Parameter' section with dropdowns for Company ID (PT. KJL Plastic Indonesia), Employee Area, Employee Office, Employee Status (Active), and Employee Type. The 'Payroll Group' and 'Period' (28/12/2022) are also visible. Below the parameters is the 'Report Result' section, which shows a table with columns: ID, Resident Postalcode, Address Telp No, Social Media, Religion, Marital Status, Blood Type, **KTP No** (highlighted with a red box), **KTP Expired**, and **KTP Address**. The table contains one row of data with the address 'Kp. Songko RT 008 RW 002 Desa Kawungse Tasikmalaya Prov. Jawa Barat'.
