Category:		Estimated time:	0.00 hour
Target version:		Spent time:	1.30 hour

Dear Azid,

The screenshot displays the MinovaES system interface. On the left is a 'MinovaES Menu' sidebar with options like 'My Workplace', 'My Report', 'My Staff Report', 'Request', 'HR Administration', 'Performance Ma...', 'Time Management', 'Training Manage...', 'Benefit Manage...', 'Travel Managem...', 'Travel', 'Forwarding Task', 'Inbox', 'Sharing Approval', 'Outbox', and 'Draft'. The main area is titled 'Body' and contains a 'Header' section with a form for travel management. The form includes fields for 'Start Date', 'End Date', 'Travel Status', 'Travel Type', 'Travel Category', 'Destination Area', 'Departure', 'Destination', 'Travel Reason', 'Travel Result', 'Alternate', and 'Notes'. A red box highlights the 'Alternate' field, and a red arrow points to it. At the bottom of the form, there are 'Add' and 'Delete' buttons. The footer of the page reads '2023 © PT Minova Infotech Solutions. All Rights Reserved.'

Pada field alternate ini hanya sebagai sebagai info saja kita requestor melakukan perjalanan dinas maka yang menggantikannya adalah orang yang di input pada field alternate tersebut. Tetapi sekarang yang berjalan adalah begitu di isi field alternate tersebut maka flow approvalnya juga ikut berubah mengikuti employeeID yang di input pada field alterate itu.

dear jo , udah bisa di test yaa

```
package :
- bizproc (beforesubmit)
```

```
update code :
var requester = Ext.ComponentQuery.query('[name=RequesterID]')[0].value
Ext.ComponentQuery.query('[name=EmployeeID]')[0].setValue(requester);
```

makasih
