Description

Dear Azid,

Mohon bantuannya untuk membuat field comment wajib diisi ketika employe mau submit atau approve.

The screenshot shows the MinovaES application interface. On the left is a navigation menu titled "MinovaES Menu" with categories like "My Workplace", "Request", and "Travel Management". The main content area shows a "Comment" form with a text input field and a "History Comment" table below it. The table has columns for "Task Name", "P...", "Date", and "Comment", and currently displays "No Data Display". A red box highlights the "Comment" input field.
