Category:		Estimated time:	0.00 hour
Target version:		Spent time:	1.00 hour

Description

Dear Shofwan,

Mohon bantuannya untuk menampilkan document type yang berkaitan dengan report Purchase di menu Report Purcahse Detail, saat ini hanya tampil Purchase Order, tolong tampilkan satu lagi yaitu untuk report :

1. Purchase Requisition

Table yang berkaitan adalah :

- PCMEPRPTCATALOG : PRPTPUDOCDETAIL
- PCMEPRPTSELECTION PRPTPUDOCDETAIL

Menu : Logistic & Service > Purchasing > Purchase Report > Report Detail

link ; <http://remote.minovais.com:61124/>

DB : MinovaES_Demo

Server : remote.minovais.com, 1442\SQLSERVER2014

The screenshot shows the 'Purchase Detail' report configuration in the MINOVA system. The 'Report Parameter' section includes fields for Document Number From, Document Number To, Document Date Start (08/06/2023), Document Date End (22/06/2023), Document Type (set to Purchase Order), and Document Status. A red box highlights the Document Type dropdown menu, and a red annotation indicates that another report type, Purchase Requisition, should be displayed. The 'Report Result' section is currently empty.

tambahan informasi ya,
jd sebenarnya untuk Doc Type Purchase Requisition itu punya Trans Type yg berbeda dgn Purchase Order.
Nah yg diinginkan, apakah bisa jika di selection field Doc Type tsb yg ditampilkan berasal dari 2 Trans Type yg berbeda yaitu PUR dan PUR2?

Itu yg sebenarnya di butuhkan saat ini
Tks

- Status changed from Assigned to QA Test
- Assignee changed from shofwan shiddiq to Mega Yunita

Dear Mega, utk filter sudah di tambahkan pilihan opsi Doc Type PR, utk Request for Quotation dan Vendor Quotation juga tampil krn table Ref nya namanya PTRPURCHHEAD juga.

Silahkan di testing, Terima kasih.
