Description Tab Sales Item di menu Sales Order bermasalah. Ketika saya klik field Nama Barang comboboxnya tidak muncul, dan malah field Harga Satuan nya jadi otomatis terisi seperti di file yang saya lampirkan. Menu Path: Logistic & Service > Sales Management > Sales Order (setelah klik Create) (Note: Apabila di menu yang lain terdapat bugs yang sama, boleh tolong diperbaiki juga) port: http://remote.minovais.com:61138/ Mohon agar ini dapat diperbaiki. Terima Kasih,
