Description

dear tim developer mohon support nya untuk perbaikan pada tombol delegate to dimana tombol tersebut tidak berfungsi.

The screenshot shows the PERTALIFE system interface. At the top, there is a navigation menu with categories: My Workplace, Master Data, Financial Accounting, Human Resource, Logistic & Service, Business Intelligence, Menu Development, and System Administration. A search bar and user profile (bintar) are also visible. The main content area is divided into sections: Header, Main, and Current Quota. In the Header section, there are input fields for Requester ID (10620322), Requester Name (Hasrullah), Subject, Description, and On Behalf (10620322). The Main section contains a form for leave management with fields for Absence Type (Cuti Tahunan), Start Date (02/08/2024), End Date (05/08/2024), Absence Address, Absence Phone, and Total Absence Taken (2). The 'Delegate To' field is highlighted with a red box, indicating the issue. The Current Quota section is partially visible at the bottom.
