Target version:	Spent time: 1.00 hour

Description

Form Family di menu Employee Movement terpotong bagian bawahnya setelah di-add. (Fotonya terlampir dibawah)

Jadi formnya terpotong setelah add untk row ke-2 (anggota keluarga kedua). Untuk form yg add pertama (row 1) tidak ada masalah.

Karena formnya terpotong; maka ada field-field yang tidak tertampil, dan button-buttonnya pun jadi hilang.

Mohon agar hal ini dapat dicek dan diperbaiki.

Menu Path: Human Resource > Employee Administration > Employee Movement
Port: <https://hris-sukhavita.minovais.com/>
DB: MinovaES_Sukhavita

Terimakasih.

Sudah tidak terpotong ya

Di sdatabtablefield, di sesuaikan saja column no 1 dan 2 nya supaya seimbang, biar salah satu row gak terlalu numpuk
