Description

dear tim developer mohon supportnya untuk perbaikan pada menu om structure dimana pada saat kondisi mau tambah posisi di organisasi 106 terjadi error duplicate head position padahal posisi di organisasi tidak ada head.

The screenshot shows the MinovaES application interface. On the left is a 'MinovaES Menu' sidebar with categories like 'My Workplace', 'Business Intelligence', and 'Human Resource'. The main area displays a 'Search Tree' table with columns: Object Tree, ID, Object Class, Abbr, Start Date, End Date, Vacant Stat..., View, and Edit. The table contains two rows: 'Tim Dealer Financing' (ID: 00000106, Object Class: O) and 'Anggota Tim Deale...' (ID: 00000181, Object Class: P). Below the table is a 'Master Data' section for 'Edit - General Data - P - 00000181'. This section has tabs for 'General Data', 'Relationship', 'Description', and 'Position Object Detail'. The 'General Data' tab is active, showing fields for 'Start Date' (01/01/2020), 'End Date' (31/12/9999), 'Notes', and 'Object Description' (Anggota Tim Dealer). There is also a 'Create By' field.

This screenshot shows the same application interface as the previous one, but with an error dialog box overlaid. The dialog box is titled 'Duplicate Abbr' and contains a red 'X' icon and the text 'Error Duplicate Head position'. There is an 'OK' button at the bottom of the dialog. The background is dimmed, showing the search tree and the 'Edit - General Data' form.
