Description

Dear Mbak Yomma,

Tadi saya coba mengedit Document AR (00013913) di bagian Item, tapi setelah di-save muncul pesan error seperti yang saya lampirkan di bawah.

Unkt settingan, yg di tabel fisik tipe datanya decimal di SDATATABLEFIELDnya sudah dibuat DataType 3. Dan yg utk tipenya decimal DefaultValue nya juga sudah dibuat 0. Unkt field-field yg ada di PCMBSDOCFIELD (Tabel PTRFINANCEHEAD; DocType AR) sudah disamakan dengan field-field yang ada di Tabel fisik dan SDATATABLEFIELD, tapi masih error.

Menu Path: Financial Accounting > Account Receivable > AR Document
Port: easy.minovais.com
DB: MinovaES_Easy

Terimakasih.

error ini krn, data yg diedit data lama & belum didefault 0, jadi usahakan testing pakai data baru, setelah penambahan docfield.
