Description Dear Mbak Yomma, Ketika aku Create Acc Period Control utk CompanyID PT. Minova Infotech Solutions (CompanyID: 1000) di box CompanyID tidak terisi PT. Minova Infotech Solutions (seperti di foto yang aku attach di bawah), padahal harusnya otomatis terisi ketika kita telah memilih CompanyID (di interface menu awal) dan klik Create. Tolong agar hal ini dapat dicek dan diperbaiki. Terimakasih. Menu Path: Financial Accounting > General Process > ACC Period Control Port: https://demo-industry.minovais.com/ DB: MinovaES_DEMO_INDUSTRY (103.153.60.89)
