Dear mas Bintar,

untuk masalah ini disebabkan oleh terdapatnya beberapa data di kolom 'date' dari table hr_md_emp_md0039 yang kosong sehingga menyebabkan error. Dan untuk saat ini nilai-nilai pada kolom date yang tadinya kosong saya isi dengan nilai '20250128'.

emp_id yang memiliki null pada kolom 'date':

1. '20160013'
2. '20160005'
3. '20160010'
4. '20160018'
5. '20160009'
6. '20160015'
7. '20160016'
8. '20250061'
9. '20191275'

notes:

1. Terdapat tanggal yang tidak sesuai pada emp_id '20250061' dimana kolom date bernilai '20180931' yang seharusnya tidak mencapai tanggal 31 dan sudah saya ubah menjadi '20180930'
2. Untuk menghindari data date yang kosong, diharapkan pada saat input data, kolom 'date' di set menjadi mandatory.

Terima kasih mas
