Description			
Dear Mbak Yomma,			
Error ini terjadi ketika saya mengedit data di Material Master Data. Contohnya ketika saya mengedit data MaterialID 00000002 (Siesta Tote), ketika mengesave muncul pesan error Ext.Ajax request failure seperti di foto yang saya attach.			
Untuk di PMDMAT0001 ada penambahan beberapa field-field baru yaitu Edition, ProductName, Size, dan Color. Ketika Create Material Master Data baru dengan mengisi field-field yang baru dibuat tidak ada masalah. Namun ketika mengedit data material yang sudah ada di UI baru error tersebut muncul. Shofwan sudah coba solve, tapi katanya masalahnya kemungkinan di backend.			
Tolong dibantu ya Mbak Yomma.
