Kalau mau ditambahkan seperti ini, berarti di sales header juga harus ada field **IncludeAddress** ,  
nanti cari CRM akan diisi 0 atau 1, nah kalau 0 berarti no, kalau 1 yes,  
kemudian di struk akan cek yg include akan di munculkan adress, sementara yg no tidak akan muncul.

#3 - 04/15/2025 09:32 AM - haykal haykal

Iya, udh ada Wan di PTRSALESHEADER.

Nama fieldnya AddrIncludeInvoice

Dear Haykal,

Fitur include address sudah di tambahkan di Menu Checkout dan Pre-Order

The screenshot displays a mobile application interface for a checkout process. At the top, a product card for 'Large Tablet Pouch (X3)' is shown with a 50% discount, reducing the price from Rp. 308,000,- to Rp. 154,000,-. The product details include 'Edition 2236', 'Size Large', and 'Color Violet Aubergine'. Below the product card, there is a checkbox labeled 'Include Address' which is checked. Underneath, a text input field contains 'Submit Pre Order Including Address'. The shipping section, titled 'Alamat Pengiriman', shows the address 'Ruko Icon Business Park BSD City'. The shipping method, 'Metode Pengiriman', is set to 'TIKI'. The shipping cost, 'Biaya Pengiriman', is 'Rp 8.000'. At the bottom, a summary box shows 'Total Pesanan 1 Produk' with a 'Total Price' of 'Rp. 162,000,-' and a 'Checkout' button.

1. Apabila user check include address, maka akan tersave ke field AddrIncludeInvoice di table Sales Header
2. Dokumen yang AddrIncludeInvoice ter check maka akan tampil data Shipping Address nya di invoice
3. Contoh DocNo ='00000486', Include Address nya di check sehingga tampil distruk

- File Shipping Address belum muncul.png added
- File Foto 4 Include Address in Invoice masih kosong.png added
- Status changed from QA Test to Revise
- Assignee changed from haykal haykal to shofwan shiddiq

Dear Shofwan,

Ada beberapa catatan:

1. Yg di Foto 1 tolong ditambahkan tulisan in Invoice ya. Jadi harusnya tulisannya 'Include Address in Invoice'

2. Kalau misalkan dia gak centang Include Address harusnya di Invoicanya tidak perlu ada tulisan Shipping Address (dihilangkan saja) [Foto 2]
3. Tadi saya coba transaksi dengan mencentang Include Address tapi Shipping Addressnya belum muncul di Invoice (Foto 3). Tadi saya menggunakan customer Daisy Edgar Jones dan dia sudah punya data Address di Customer Master Data.
4. Untk transaksi yang saya lakukan di No. 3 tadi, saya cek dokumen Sales Ordernya (DocNo 00000491). Tapi untk field Include Address in Invoice blm terisi (harusnya Yes) [Foto 4]

Tolong diperbaiki ya.

Terimakasih.

3. Skenario mengecek address customer, apabila address customer kosong maka barulah Shipping Address di sales header yg di munculkan

4. DocNo 00000491 value 1 sudah tersimpan di database dan sudah terbaca flag nya, masalah tampil enggak nya di ES itu issue settingan di SDATATABLEFIELD nya aja, lagi pula gak perlu dilihat juga di ES flag nya, yg penting bisa kebaca flag nya pada saat mau melihat struk

- Jangan lupa di refresh page nya, untuk struk terkadang cache nya suka nyangkut di browser karena dia pakai iframe. jadi perlu di clear cache browser juga kadang2 kalau mau test, atau bisa test di incognito
