Description			
Dear team developer,			
Mohon bantuannya, ketika saya edit Payroll Group Period untuk period_01 terus saya generate di Menu Generate Payroll Period, start date nya masih 1-31 seharusnya 26-25. Mohon di cross check apabila ada step yg kurang ya.			
Terima kasih.

ikmal,

itu yg generate period payroll kalau bisa yg period 01nya jangan di rubah2 yaa. mendingan bikin period baru kl ada tanggal cut off beda. yg period 01 kayaknya d default jg deh khusus 1-31. Jadi bikin period payroll baru aja
