Description Dear Mbak Yomma, Menu Material Conversion telah aku ganti namanya menjadi Production. (DocType: MTPR) Untk field Unit Price yg ada di Item ingin bisa autoload terisi (foto diattach). Jadi setelah user mengisikan MaterialID dan ItemFlow Issue, ingin field Unit Price otomatis terisi mengambil dari field MAP di tabel PMDMAT0001. (Note: Unit Price autoload dari MAP khusus utk yg ItemFlow nya Issue saja) Terimakasih. Menu Path: Logistic & Service > Inventory Document > Production Port: https://tulisan-dev.minovais.com/ DB: MinovaES_Tulisan_Dev (di 89)			

History
