Description

Dear Tim Developer,

Ditemukan issue pada bagian menu Service Order, di mana saat admin melakukan create data secara manual melalui menu admin, Document Number tidak ter-generate secara otomatis.

Mohon bantuannya agar dapat dilakukan perbaikan, sehingga ketika admin melakukan pembuatan Service Order secara manual, Document Number langsung terbentuk secara otomatis sesuai format yang berlaku, tanpa perlu input manual.

cek ricek lg settingan terkait tabel yg baru di bikin untuk atachment ya harus ada doc no dan doc item id juga. belum di setting di docfield nya jg.

bbrp field kayak object id, object class itu gak perlu ada. coba cek referensi lain ygd butuhin untuk tabel attachment deh, yg penting ada file name nya dan field buat nyimpen file tsb.

Diskusi n tanya2 ama mbak yomma jg bisa.

Tks
