Description Dear Mahlil, Ada case Date/Time di Invoice tidak kerecord, tapi munculnya null seperti di file yang saya attach ini. Itu hasil testing mereka di Prod. Selama ini sih kl gua testing Download Invoice di dev aman, Date/Timenya muncul. Mungkin ini karena yg lo mention juga ya; yg CreateBy CreateDate di tabel Sales di Prod gak kerecord. Kalau di dev sih selama ini aman, selalu kerecord CreateBy CreateDate nya. Tolong bantu dicari tahu dan difixing ya.
