Dear Mba Yomma,

Mohon dibantu ya mba, untuk validasinya sebagai berikut:

- Jika di template Leave diinput DurationType = Half Day (H), maka sistem tidak perlu menampilkan validasi "You cannot save because intersect with attendance Master data" saat upload, meskipun sudah ada data Attendance di tgl yg sama.
- Jika di template Leave diinput DurationType = Full Day (F), maka sistem tetap menjalankan validasi awal. Jadi, jika pada tanggal yang sama sudah ada data Attendance (Data PA19) dan data dari Template Leave, maka sistem tetap menampilkan pesan "You cannot save because intersect with attendance Master data".

Terima kasih
