Description Dear Developer, Saya temukan ada bugs ketika search filter di menu Purchase Order. Harusnya 'kan di menu Purchase Order Result document list yg ada hanya dokumen PO doang, tapi setelah disearch filter ada bugs yg dokumen Purchase Requisition juga ikut tertampil. Jadi kmrn tgl 03/12/2025 telah dibuat dokumen PR 00000284 dengan document status Draft. Kalau buka menu Purchase Order tanpa ngesearch apa-apa tidak muncul dokumen tersebut (seperti di Foto 1 yang saya attach). Tapi kalau dilakukan search filter, dokumen Purchase Requisition 00000284 itu jadi ikut muncul (Foto 2), seharusnya tidak. Tolong bantu diperbaiki ya. Menu Path: Logistic & Service > Purchasing > Purchase Order Port: https://demo-logistic.minovais.com/ DB: MinovaES_Demo_Logistic (103.153.60.89) Terimakasih.
