Description Dear Azid, Ketika saya coba mengupload Position Object Detail di menu Import ORM Data (MD Type), terdapat error ORMUPLOADAUTH you not authorize seperti foto yang saya attach di bawah. Berdasarkan notes yg ada di redmine #3363 , di PCMEPGENPARAM sudah saya tambahkan row baru untk Parameter PHROMMDTYPE_IMPORT_MODULE dengan value P, namun ketika dicoba lagi masih error juga. Mungkin karena perlu package yg lu buat juga. Tolong dideploy ya packagenya. Thanks. Menu Path: Human Resource > Organization Management > Import ORM Data (MD Type) Object Class: Position Master Data: Position Object Detail port: https://hris-kertasnusantara-dev.minovais.com/ db: MinovaES_KertasNusantara_Dev (103.153.60.89)
