Description

Dear, Mbak Yomma.

Mohon Bantuannya, pada modul training hasil pretest tidak masuk ke attendee di training event.

The screenshot shows the MINOVAIS system interface. The left sidebar contains navigation links: My Workplace, My Report, E-Self Services, ESS Request, E-Learning, Practices Management, Financial Accounting, Human Resource, Business Intelligence, and System Administration. The main area displays a 'Search Tree' with a table of training objects. The 'Attendee' tab is selected, showing a list of employees with columns for Emp Master, Employee Name, Position, Job Description, Certification, Priority, Booking Status, Pre Test, Post Test, Status, Day Absence, Other Cost, and Price. The 'Pre Test' and 'Post Test' columns are highlighted with a red box, showing values of 0.00 for all employees.

Terima Kasih.
