Description

Dear Developer,

Mohon bantuannya untuk diperbaiki data yang tidak muncul pada menu Organization Management.
yang muncul hanya data 'End Date'.

The screenshot shows the PT ARITA system interface. On the left is a sidebar menu with categories like 'My Workplace', 'Master Data', 'Human Resource', and 'Organization Management'. The main area displays 'Detail Master Data' for 'Direktur Utama' (ID: 00000003). A table lists master data with columns: Start Date, End Date, Object Descripti..., Abbreviati..., and Notes. The first row contains the values: 16/12/2021, 31/12/9999, Direktur Utama, and Dirut. Below the table, the 'General Data' section shows fields for Start Date, End Date, Object Description, and Abbreviation, which are populated with the same values as the table row. The 'Notes' section is empty.

Terima Kasih.
