Target version:		Spent time:	0.00 hour
Description			
<p>Dear tim developer, mohon supportnya untuk fixing pada condition maximal approval dimana pada contoh employeeid 00001004 maria jessica setelah mendapat approve dari DS1 , flow nya tidak lanjut ke ds2 nya. ada kemungkinan karena cond max approval nya yang belum sesuai.</p> <p>rohto production: 192.168.3.105\MSSQLSERVER2019</p>
