The screenshot shows the 'Import Employee Data' page in the Minova ES application. The sidebar on the left has 'Employee Master Data' highlighted. The main content area displays a message: 'UPLOADMD - Upload Total Success: 0 Total Error: 1'. Below this is a form for 'Import Master Data - Personal Administration'. The form includes a 'Master Data' dropdown set to 'Family', a 'File' field with a 'Browse' button, and radio buttons for 'Simulate' and 'Execute'. There is also a 'Force Save Data' checkbox. Below the form is a 'Result' section with a 'Summary' table showing 0 Success, 1 Error, and 0 Warning. At the bottom, there is an 'Export' button and a table with one row: Request No 00000001, Status Error, Log ID MDVAL23, and Notes 'Mandatory fields must be filled in MedicalFamilyCode'. A 'Pen' button is next to the notes.
