The screenshot shows the Minova ES Travel Document interface. The sidebar on the left contains navigation links for My Workplace, Business Intelligence, Human Resource, and HR Administration. The main content area displays a 'Travel Cost' table with columns for Start Date, End Date, Cost Type, Cost Description, Number, Rate, Amount Plan, Amount Settlement, Cost Center, Amount Approval, and Notes. A red box highlights the 'Travel Cost' table and the 'Total Cost' section below it, which includes a 'Calculate' button and a table for Current, Total, Total Settlement, Total Approval, Balance Settlement, and Balance Approval. The status bar at the bottom shows the system is running on Windows 10 with a taskbar containing various application icons.
