Description

Dear Mbak Yoma,

Mohon bantuannya mbak, scroll lookup belum berfungsi pada:
Recruitment -> Applicant Movement -> Applicant Assignment -> Position

Terima kasih

The screenshot shows the PT Minova ES application interface. The sidebar on the left contains navigation links: My Workplace, Business Intelligence, Human Resource, Menu Development, and System Administration. The main content area displays the 'Applicant Movement' section, specifically the 'Applicant Assignment' form. A 'Lookup Position' dialog box is open, showing a table with columns: Organization Structure, Object ID, Object Name, Object Type, Start Date, and End Date. The table lists various organizational units like PT Bank Mega, Business, Finance, etc. The dialog box also has search filters and a 'Save' button. The background shows the 'Applicant Assignment' form with fields for Start Date, End Date, Company ID, Applicant Area, Applicant Office, Applicant Action, Applicant Status, Applicant Type, and Applicant Sub Type.
